Remarks

Whether you're looking for an affordable place to live, an investor looking for a great ROI, or are just looking for a comfortable, cozy, affordable place to live while building equity, this two bedroom home is ready for Immediate Occupancy. Here, you can enjoy a quiet area, with plenty of yard for family gatherings, family games, gardening, or even adding onto the house. The home is move-in ready, but with room to add your own personal touches. The enclosed front port is great for relaxing with a book or a glass of tea, or whatever you like, and the front door opens to the well-proportioned living room. The carpet in the living room gives the home a warm, inviting feel, and the bedrooms and kitchen are immediately accessible therefrom. This property includes the lot adjacent lot next door, adding even more value. Schedule your showing as soon as possible so you don't miss out. BTVAI. IDRBNG
